SUNNY ISLES BEACH: \$25 million

Towering 649 feet above Sunny Isles Beach's turquoise aqueousness are 57 stories of fancy Collins Avenue condos collectively dubbed Jade Signature. The super glassed-and-terraced "parallelogram that angles all oceanfront apartments to the southern sun" comes courtesy of Swiss design firm Herzog & de Meuron. The cherry on top is a 10,500-square-foot penthouse, packing unobstructed views of the ocean, a private balcony pool, a gym and ceilings over a dozen feet high. Building perks include a full-service concierge, an on-the-beach restaurant, a spa and playrooms. **Contact: 888-717-5314**
